HEALTH & SAFETY

700 WEIGHT LOSS AND EXERCISE MOTIVATION THROUGH HYPNOSIS

Lose weight! Ed Benjamin, a retired Air Force officer and a Certified Hypnotist, will help you change your eating habits by changing your attitude about food and exercise. Unlike a diet that involves deprivation, hypnosis helps change the way you think so that fattening foods are no longer appealing and you become more attracted to good, nutritious, low-fat, low-calorie foods. Suggestions include: eliminating between-meal and evening snacking, becoming full on smaller portions, and no longer eating for emotional reasons like stress, boredom, anger, etc. Suggestions for good self-image, self-confidence and exercise motivation are also included in the session. Optional Materials: Weight Loss self-hypnosis/sleep programming reinforcement tape or CD available for \$20. Please bring a blanket and pillow.

820 CAKE DECORATING

“The

Wilton
Way”

If you have ever wanted to make your own birthday cakes for your children or have seen a cake in the bakery department in the grocery store and wondered how do they do it? Well it's your turn to learn how. These classes will teach you the “*Wilton Method of Cake Decorating*”. In these four different courses you will learn everything from how to bake the perfect cake to making a beautiful presentation that no one will want to cut.

820:01 Course I – Discover Cake Decorating-This 5 session class is for beginners. You will learn basic skills & techniques – including how to make butter cream icing, how to level, tort, fill and frost a cake without crumbs, and lovely decorating techniques including stars, shells, roses, drop flowers and more!

Date: Sept. 15 – Sept 29 (Tues. & Thurs.)

820:02 Course II - Flowers & Borders – This fun class picks up where Course 1 leaves off. You will learn to make even more beautiful decorations, including the rosette, rope border and basket weave. You will learn how to correctly make and use royal icing, and the color “flow” technique. You will make flowers with royal icing, including Pansies, Daffodils, Violets and more.

Date: Oct. 6 – Oct. 20 (Tues. & Thurs.)

820.03 Course III – Fondant and Tiered Cakes-Continue building your cake decorating skills! You will learn more butter cream techniques including ruffles, lace, string work, and more. Students will learn how to cover and decorate with fondant. Beautiful royal icing flowers like lilies, poinsettias, morning glories, and you will also learn the proper techniques for tiered cake assembly.

Date: Nov. 3 – Nov 17 (Tues. & Thurs.)

820.04 Course IV – Fondant & Gum Paste – In this final class you will learn how to marbleize, cover your cake boards with fondant and give your cake a whole new look of elegance. You will be introduced to the intricacy of gum paste , fondant and the different things that can be made with them for example; a trinket box, lovely “fabric” draping, border and more. The cake you take home will truly be an edible masterpiece that is a combination of lessons and skills learned.
