

## Texas Mathworks Junior Summer Camp June 8 - June 18, 2009

---

This program is a multi-level 2-week math program for students in grades 4-8. It introduces students to the beginning concepts in algebra through play-acting and drama, to a more advanced program in problem solving and discrete math. Students enjoy working on problems together and share in the excitement of mathematical exploration and discovery.

Applications are available at all elementary and middle school campuses. If interested, please have your child ask their math teacher. Applications should be mailed directly to Texas Mathworks-ASB 110

Texas State University  
601 University Drive  
San Marcos, Tx. 78666

Completed application forms are due no later than April 30th.

If you have any questions, you may contact Karen Arnold-Math Curriculum Specialist for NBISD @ 643-5716 or contact Texas State University directly @ 1-512-245-3439.
