

Permission for Video Assessment

In order to assess the progress of your student, we are requesting your permission to make a video tape of your student's classroom activities. When the video is made, your student may appear in another student's video. The video will be used for assessment purposes only and will be shown only to the ARD committee. You may have a copy of the video or view the video upon request.

Thank you for your assistance.

_____ I give permission for my student to appear in a video to be used for assessment purposes.

_____ I do not give permission for my student to appear in a video for assessment purposes because _____
_____.
