

New Braunfels ISD Emergency Information

New Braunfels ISD offers an emergency notification system that distributes emergency information and news to subscribers via e-mail and cell phone text messages.

This service – offered through FlashNews – is free to parents, community members and staff, who can register up to five e-mail and/or cell phone text message addresses. The notification system will share information about school closings or early dismissals due to inclement weather, school emergencies, or other events that may impact the school schedule.

To self-register for FlashNews:

- Go to www.newbraunfels.txed.net and click on the FlashNews Signup button.
- Enter and re-enter your primary e-mail address.
- Set password and confirm password and click “create your account.”
- “Manage subscription” should say New Braunfels ISD.
- At this point, you can enter up to four more e-mail address.
- Then, click on “Add.” after each e-mail address.
- When you are done, click “Click to send test messages.”
- Then click “Log Out” at upper left.
